CAREERS NEWSLETTER

February, 2019

NO. 1

Introduction:

A warm welcome to 2019, I hope you all had a lovely holiday, are enthusiastic about this year and have an enjoyable and productive year.

Please be aware that the purpose of this publication is to keep you up to date with information as it comes to me. Your responsibility is to research about anything that interests you and to see me whenever you need.

This term I will attend a number of "Careers Adviser's Days" at various universities. These seminars are valuable sources of information. I will pass much of this information on in the next few months via the Careers Newsletter. Although these days take me out of school, it is imperative to get feedback from universities to help each current and future Year 12 cohort.

Study Work Grown previously used to be known as MHS:

Study Work Grown, used to be known as MHS, is the website that the school is registered with for use by students, parents and teachers. It provides information on career related events happening throughout the year, information on post school options and provides general careers advice.

It is a good idea to log on the Study Work Grow website to check the latest careers news and update yourself with available study options for future careers decision making.. Information about signing in to their new website will be available in the next couple of weeks.

The Western Sydney Careers Expo :

The Western Sydney Careers Expo will be held at Sydney Showground—Sydney Olympic Park on Thursday 27, Friday 28, Saturday 29 and Sunday 30 June, 2019 from 9am until 4pm. The Expo will bring together organizations providing tertiary course, career, vocational, employment, HSC and gap year information and resources. It also features over 120 seminars on topics including tertiary and training courses, career and study advise. HSC subjects seminars most of which are presented by the NSW Board of Studies. The school booked for all **Year 10 and 12** to attend this expo on **Thursday 27/06/19.** The students will be provided with a ticket that will entitle them to re-visit the expo if they wish on Saturday 29 and Sunday 30 June, 2019.

Universities Early Entry for Year 12s:

Attached please find a sheet that Study Work Grown put together as a handy guide to University Early Entry for 2020. It provides you with links to gather information on how to apply, application dates, notification dates and admission criteria

Please note that some universities don't release their Early Entry programs until much later in the year so it is possible that dates and links may change.

Upcoming events

Guest Speakers

Year 10, 11 & 12 are all invited to attend the following presentations that will take place in Room 41 (Senior Study Room) on the following dates:

Medicine Talk ~ Monday 4/3/19
UNSW ~ TBA
USYD ~ **Wednesday 15/5/19**
UTS ~ TBA
ANU ~ TBA
ACU - ~ TBA
Macquarie Uni ~ Thursday 9/5/19
UWS ~ TBA
UNSW CO-OP Scholarships ~ TBA
UTS CO-OP Scholarships ~ TBA

Careers Excursions, Incursions , Work Experience & Career Programs

Year 10:

- Big Day in IT - UTS ~ 20/03/19 (Optional)
- Macquarie Careers Ready Day ~ TBA (All Students)
- A Day @ USYD ~ Friday 7/6/19 (All Students)
- The Western Sydney Careers Expo ~ Sydney Showground—Sydney Olympic Park ~Thursday 27/06/19(All Students)
- Mock Interview Preparation Session ~ Friday 22/11/19
- Careers Workwise Program—School—Thursday 21/11/19 and Friday 22/11/19
- Careers Startsmart Program—School— Thursday 21/11/19 and Friday 22/11/19
- Australian Business Week ~ Monday 25/11/19 until Friday 29/11/19 (All Students)
- Work Experience Week ~ Monday 2/12/19 till Friday 6/12/19 (All Students)
- Mock Interviews ~ Monday 9/12/19, Tuesday 10/12/19 and Wednesday 11/12/19(All Students)

Year 11:

- WSU Careers Event Day - UWS Campbelltown Campus ~ Wednesday 12/6/19 (Optional)

Year 12:

- The Western Sydney Careers Expo ~ Sydney Showground—Sydney Olympic Park ~Thursday 27/06/19 (All Students)

Please note that the Careers Expo excursions and few of the above mentioned excursions are not optional.
If an optional excursion falls on an assessment day please make sure you do not apply to go as you can not miss on your assessment.

It is very important that you pay and hand in the notes by the due date stated in your letter to avoid any inconvenience for the school and for yourself as well. Thank you for your consideration and responsible attitude.

University Clinical Aptitude Test—(UCAT TEST):

The University Clinical Aptitude Test (UCAT), replacing the UMAT , will be held in various locations throughout Australia. UCAT ANZ testing takes place between 1 July and 31 July 2019. You must complete a two-step process using the Pearson VUE online registration system to register and then book a test.
Step 1: Online Account Registration; Opens 1 March, 2019 at 9amand Closes 16 May, 2019 at 5pm
Step 2: Booking a Test; Opens 1 March, 2019 at 9am and Closes 17 May, 2019 at 5pm. More information is found on the UCAT website: www.ucatofficial.com. UCAT is a 2 hour Computer based test. Students may choose where they want to sit their test at one of the Pearson VUE test centres located in Australia. And they may choose one of the dates offered throughout the month of July. The test consists of five subtests: Verbal Reasoning, Decision Making, Quantitative Reasoning, Abstract Reasoning and Situational Judgment. The following universities will use UCAT in their selection process for **Medicine and other Health Sciences courses** for entry:

State:	University:	Course:
NSW	UNSW	Medicine
	Newcastle/UNE	Medicine
	WSU	Medicine
Victoria	Monash University	Medicine
Queensland	UQ	Medicine (Prov.Entry)
		Dental Science
SA	Uni of Adelaide	Medicine, Dentistry, Oral
	Health	
WA	UWA	Medicine, Dentistry (Direct Pathway)
	Curtin University	Medicine
Tas	UTAS	Medicine
NZ	Auckland Uni	Medicine
	Otago	Medicine, Dentistry

A number of organizations have organized courses for UCAT applicants.. Organizations details are as follows:

MedEntry www.medentry.edu.au 03-9359 9960
(Offering 30%discount for group booking)
The National Institute of Education (NIE) www.nie.edu.au 03-8300 0277 or 0414 595 117
Medstart www.medstart.com.au or 1300998628

STUDENTS CONSIDERING A CAREER IN MEDICINE :
Do you know how long it takes to become a doctor and what steps are involved in this pathway? My Health Career has published an article so that students can see https://www.myhealthcareer.com.au/**medicine/how-long-does-it-take-to-become-a-**doctor

UNSW Year 12 Medicine Information Evening:
Registrations are now open for aspiring doctors and their parents to attend the UNSW Medicine Information Evening on March 20/3/19 at UNSW from 6:30pm until 9pm..

2020 Business and Engineering & Technology Cadetship Programs By PCA:

Professional Cadetships Australia (PCA) provides year 12 students the opportunity to apply for cadetships in Business and Engineering & Technology with leading companies.

Under the **Business Cadetships Program,** cadets study at the university of their choice and select from degree programs in Business, Commerce, Economics and the humanities. Online applications opened on **4th March** and will close on **15th May, including the school assessment.**

For more information visit www.businesscadetships.com.au. Please make sure you allow me enough time prior to the closing date to fill in the school section, so you need to submit your application online by 12 May, you will then be sent a letter that you will have to bring to me with the log in details for me to be able to fill in your school assessment and submit it before 15 May, 2019.

Under the **ETCAD Program**, **Engineering Cadets** will study Mechanical Engineering, Electrical or Mechanical or Mechatronic or Computer or Software or Industrial Engineering or they may select a flexible entry Engineering Degree. Also possible to study Science, Computer Science or Information Technology or Information Systems or they may choose to study Commerce or arts and intend to take a major in Information Systems. Applications **will open on 29 April and will close 21 June, 2019 including the School Assesssment**.

Please make sure you allow me enough time prior to the closing date to fill in the school section, so you need to submit your application online by 16 June, you will then be sent a letter that you will have to bring to me with the log in details for me to be able to fill in your school assessment and submit it before 21 June, 2019.

To help you edit your application please submit your answers to me as soon as possible, to go through and advise on any changes before you submit online.

Maths Ad(*d*)s:

Maths Ad(*d*)s gathers together mathematical and statistical jobs that have recently appeared online across a broad spectrum of industries. The online booklet provides an overview of possible careers available to prospective university students after graduation if they include mathematics or statistics in their degrees.
http://careers.amsi.org.au/mathsadds/

Strong Demand for Surveyors:

Higher graduate salary and excellent job prospects are just two reasons surveying is a career path secondary students should take note of. According to The Good Education Group, which publishes The Good Careers Guide, surveying has the fourth highest average starting salary at $60,049 compared with the national average of $52,840.

Graduate surveyors are also among the most likely to be employed straight out of university, with the third highest employment rate at 78%. Visit: https://www.alifewithoutlimits.com.au/increased-demand-for-surveyors/

The Australian National University Tuckwell Scholarship:

One of the most prestigious scholarships in Australia. The program has a focus on giving back to Australia and is the only one of its kind that nurtures Scholars to fulfil their broader community ambitions over and above the pursuit of an undergraduate degree.
https://tuckwell.anu.edu.au/applying/tuckwell-scholarship-mailing-list

Key dates to apply for the ANU 2019 Scholarships:
Stage 1 Applications open: 04 March, 2019
Stage 1 Applications due: 3pm (AEDT) 28 March 2019
Teacher Referee form due: 3pm (AEDT) 04 April 2019
Stage 2 Applications open: 30 April 2019 (Shortlisted Applicants)
Stage 2 Applications due: 3pm (AEST) 13 May 2019
Principal Referee form due: 3pm (AEST) 17 May 2019
Candidates notified of interview shortlist decision 12 Jun 2019
Interview weekend 05-07 Jul 2019

Future Teachers Scholarship Opportunities:

Applications Close 26 April
The NSW Teachers Federation Future Teacher Scholarships Committee will award 15 scholarships worth $4,000 each to successful applicants across the following five (5) categories:

- Future teachers (Open to all applicants);
- Future teachers who identify as Aboriginal and/or Torres Strait Islander;
- Future teachers from a rural or remote area (significant distance from the nearest tertiary institution);
- Future teachers in their first year of a teacher education program; and

Future teachers from a Language Background Other Than English (LBOTE).

Hansen Scholarship Program, the University of Melbourne'

Applications for the **Hansen Scholarship Program,** the University of Melbourne's new flagship equity scholarship, open on **1 March, 2019** Provided by benefactors Jane Hansen and Paul Little, the program brings together an unrivalled package of benefits for high-achieving domestic students who may otherwise struggle financially to access higher education. **Information sessions** will be held in late February and early March – but candidates can get a head start on their applications by **previewing the application questions now** and gathering the documents they'll need to submit.
But it's not just about academic achievement. This scholarship will reward students who have shown they can overcome obstacles and conquer adversity, and who are driven to help others. **Find out more**
We are always here to help. If you have any questions or get stuck, contact our scholarship officers.

Bradman Scholarship :

Applications Close 28February
The emphasis on choosing a Bradman Scholar is placed on a blend of academic, sporting (cricket), personal and social skills, all of which best allow the Scholar to fulfil the purpose of the Scholarship. Valued to $15,000.
http://www.bradman.com.au/bradman-scholarship
/Apply here: https://internationalcrickethall.com/wp-content/uploads/2019/02/Bradman-Scholarship-Application-Form-2019.pdf

Scholarship Search:

Over 3000 scholarships in Australia can be found by searching: http://www.gooduniversitiesguide.com.au/scholarship/search

Look out for SCHOLARSHIPS AND ACCESS SCHEMES

After you've applied for a course, consider also applying through UAC for a scholarship or access scheme.

Equity Scholarships assist disadvantaged students with the costs associated with higher education. They are awarded to students from low socio-economic backgrounds, particularly those who receive Centrelink income support payments.

Educational Access Schemes help students who have experienced long-term educational disadvantage gain admission to university.

Schools Recommendation Schemes are used by institutions to make early offers of undergraduate admission to Year 12 students using criteria other than, or in addition to, the ATAR.

More information will be available on www.uac.edu.au

UNSW 360 Virtual Tour:

Tour through UNSW on your mobile or PC. Explore the different departments and see what University life is like. Imagine yourself enjoying the experience of studying in a tertiary environment and making new friends along the way. Some of the greatest things happening on this planet are being developed in the labs and study rooms at UNSW. Check it out here:
http://www.360tour.unsw.edu.au/

What's On at UNSW?

20 March:	UNSW Medicine Information Evening
10 April:	Year 10 Subject Selection Evening
16—18 April	Built Environment Workshops
2, 20, & 22 May:	Year 10 Subject Selection Evening
9 May:	UNSW LAT Information evening
21 May	Business Day
23 May	Engineering Day
11, 13 & 20 June	Degrees & Scholarships Info Evenings
25 June	Art & Design Degree Info Evening
10 & 18 July	Built Environment Workshops
24 August	UNSWCanberra Open Day
7 September	UNSW Open Day
12 September	Engineering Day

For more information and to register head to unsw.to/whatson
Please note that if you are interested to attend any of the events you need to register directly with the University as long as it isn't during school days or hours, however if it is an event that you really like to attend and it is within school hours kindly see Mrs Youhanna first before registering. Thanks.

CSU Explore Day – Map Out Your Future 2019:

Albury-Wodonga 26 June 2019
Bathurst 12 April 2019
Dubbo 12 April 2019
Orange 9 April 2019
Port Macquarie 9 April 2019
Wagga Wagga 15–16 April (Vet Science) and 25 June 2019
If you're in Year 10, 11 or 12, Explore Day is the perfect opportunity for you to choose your own adventure and select from lots of dynamic workshops in a broad range of study areas. Have fun with hands-on activities and chat to lecturers and students about what uni is *really* like. Discover more about the courses you're interested in and all the services and support Charles Sturt University (CSU) has for you. Parents and carers are welcome too – be sure to check out our dedicated parents program.

STEM Opportunities:

University of Newcastle Science & Engineering Challenge
The Science and Engineering Challenge is a nationwide STEM outreach program presented by the University of Newcastle in partnership with communities, Rotary clubs, universities and sponsors. Through the Challenge, students experience aspects of Science and Engineering which they would not usually see in their school environment. The Challenge runs a range of programs but focuses on inspiring students in year 10 to consider a future career in science and engineering by choosing to study the enabling sciences and mathematics in years 11 and 12. See below for your nearest venue for an event.
There is a location nearest to you here:

Science Forum – University of Sydney:
Held on 3 April, 5:45pm–7pm
Charles Perkins Centre Auditorium, D17
Join our panel of scientists who will share insights on ageing well, covering nutritional, psychological and physical activity research and perspectives.
https://sydney.edu.au/science/news-and-events/events/sydney-science-forum/how-to-age-well.html

University of Sydney - International Science School :
Applications close 3 March
Held from 7 to 20 July
Every two years the ISS gathers 140 top science students from Australia and overseas for a two-week residential program of talks by world-renowned scientists, laboratory tours, hands-on activities and social events. Are you going to be in Year 11 and 12 in 2019? Do you love science? If so, you've got to apply for the Professor Harry Messel International Science School (ISS)!
https://sydney.edu.au/content/dam/corporate/documents/faculty-of-science/industry-and-community-engagement/community-engagement/international-science-school-application-criteria-terms-conditions.pdf

How to organise your study sessions:
http://this.deakin.edu.au/study/how-to-organise-your-study-sessions

Open Universities Australia:
Study a university degree online and at your own pace. When you choose **Open Universities Australia**, you get more than online study. You get to choose between some of Australia's leading universities such as RMIT, Macquarie, Swinburne and many more. You can pick a degree, work your way through the course when and where it suits you (that's the beauty of online education), and then **graduate with the same qualification as an on-campus student**.

Year 10 Work Experience—Term 4—Week 8:
The Year 10 work experience will run this year Term 4—Week 8 from Monday 2nd December, 2019 until Friday 6th December, 2019. The paper work was emailed to you in Term 4, 2018 and will be distributed hardcopy to Year 10 in March. However, I encourage Year 10 students to start looking for employers from now as week 8 – Term 4 is very popular and good places don't last. It is very important that students look for jobs in the profession they think they want to pursue later in their life. I discourage any students to do work experience in their parents' business. It is highly recommended that you experience the outside world away from family and friends. There will be a couple of booklets that Year 10 students will need to complete before commencing the work experience. Please fill in and return as soon as possible or by the given due date .

USYD Engineering Work Experience Program:
The faculty of Engineering and IT at the University of Sydney offers a limited number of work experience placements for Year 10 students in the Chemical and Biomolecular Engineering. Students are teamed up with either an academic or PHD student to work on a suitable project. This program is popular so you will need to apply for a place as early as possible to avoid disappointment..
Applications are now open and will close mid March, 2019

How to stand out without work experience
Tips on how to get experience to impress an employer. It can be hard to get a job if you have no work experience. There are some things you can do to get work experience, even if you haven't worked in a paying job yet. These things will help you stand out without work experience.
http://www.youthcentral.vic.gov.au/jobs-and-careers/applying-for-a-job/how-to-stand-out-without-work-experience

Job Outlook Career Quiz:
The Job Outlook Career Quiz takes students' answers to a small range of questions and provides them with detailed career profiles for jobs in fields that might suit them. The career profiles include future job prospects, skills needed for that job, vacancies, training opportunities and any relevant reports or links.
http://joboutlook.gov.au/pages/careerquiz.aspx

How to get experience if you have no experience:
Tips on how to get experience to impress an employer.

St John Ambulance First Aid Online Course:
The online course offered includes training on an introduction to first aid, defibrillation awareness and workplace infection control. St John Ambulance's courses are internationally recognised first aid courses. http://stjohn.org.au/first-aid-training

Work Experience Opportunities for Year 10 Students:

UNSW—Civil & Environmental Engineering Work Experience Program:
The UNSW School of Civil & Environmental Engineering in conjunction with its Industry Advisory committee will be holding a work experience week in week 5 Term 2 from Monday 27th May to Friday 31st May, 2019 for interested Year 10 students. To apply please complete the application that will be sent to you via email and return to your Career Adviser together with the Student Placement Record form by Thursday 7th March, 2019. A maximum of 2 students per school are to be nominated so first in first served..

CSIRO Work Experience Program:
CSIRO offers work experience placements to students in Years 10 who are interested in Science.
Applications for work experience open early March and close end of March, 2019. Students will be notified by mid May, 2019. The application process is a simple online form, where they require you to provide them with some basic information about yourself, your school and your Mathematics and/or Science studies. To apply, fill in the 2019 Application form for work experience at CSIRO www.csiro.com.au/en/Careers/Work-experience
Enquiries 1300 363 400 Email: Enquiries@csiro.au. Students will be notified in mid May about placements.

Surveying Work Experience Opportunities for Students:
A work experience placement can be instrumental in helping students find the passion that they follow into adulthood and their career. Try Surveying connects students with professional surveyors around NSW, where they will get a hands-on education in the complexities of surveying. To register, students can visit the Try Surveying site at http://www.alifewithoutlimits.com.au/secondarstudents.

University of Sydney: Museum Work Experience Program:
Applications are now open for University of Sydney's 2019 Work Experience Program. This program places students with the Public Programs team where they receive experience working in the fields of research, administration, events and collection management. Placements are open to secondary school students in Year 10 and run for three days. To apply, send a resume and short cover letter to the Public Programs Assistant asap as placements happen by mid March

Pre-registration open.
$20 Boss is a nationwide in-school entrepreneurship program for primary and secondary school students. Students are provided with $20 of start-up capital to create, launch and operate a business venture over the course of a school term. The $20 Boss program is about putting skills development at the forefront of learning. The program toolkit includes comprehensive lesson materials, a variety of tasks and activities, teacher notes, assessment and monitoring tools, as well as advice and inspiration to enrich enterprise learning. Visit here: https://www.fya.org.au/programs/20boss/
Register here: https://www.fya.org.au/2019-registration/

Study in the USA - SAT Testing Dates and Advice
For a full listing of 2019 testing dates go to the link below. Internationally Educated provides this and further advice in this link.
In September 2018 **The ACT** will be moving from paper based testing to Computer Based Testing (CBT). At time of posting this article, the **ACT had not yet announced their testing partner locations nor testing dates for Sydney.** Further information and updates can be found on the ACT registration page as they become available.
Sydney students are stuck between a standardised test crunch with ACT not having ANY future testing dates announced and SAT testing venues and seats already at a premium since the reduction to four testing dates per year. Students interested in studying in the US should plan ahead and book in to sit their SAT test well before the registration deadline. We encourage students in year 11 to sit a standardised test by the end of their school year so not to distract from local academic demands in year 12.
http://www.internationallyeducated.com.au/single-post/2018/09/07/The-SAT-and-ACT-Standardised-Tests---Updated-2018-19-SAT-Testing-Dates

Summer in Oxford Program:
International Summer In Oxford offers high school students between the ages of 14 to 19 an exclusive opportunity to catch a glimpse of studying at prestigious universities in the United Kingdom. Participants spend part of their summer in an academically renowned city, studying a subject of their choice, and attending workshops focusing on the university preparation and application process.

Summer I: 7 July – 20 July 2019
Summer II: 21 July – 3 August 2019
Summer III: 4 August – 17 August 2019
Summer IV: 18 August – 31 August 2019
