CAREERS NEWSLETTER

August 2022

NO. 7

Introduction:

Hope Year 12 did well in their trials. Career interviews and editing applications are currently taking place. A reminder for all Year 12 students to register with UAC and pay \$73 asap to avoid paying late fees and to be able to apply for the Equity Scholarship, the Educational Access Scheme, the School Recommendation Scheme and any other Early Entry portfolio or questionnaire that they need to complete via UAC for certain courses.

UAC Key Date Reminders:

19 Sep Schools Recommendation Scheme applications close (for Year 12 students)

30 Sep Early bird fee deadline – significant increase to application processing charge after this date

22 Nov Educational Access Scheme application and document deadline to have them considered in December Round 2

15 Dec NSW and ACT ATARs released on this website

22 Dec December Round 2 offers released – first offers made to Year 12 students based on ATARs <https://www.uac.edu.au/media-centre/news/dreaming-of-uni>

UAC Webinar: Let's Chat—SRS Early Entry Offers:

7 SEPTEMBER 2022. 6pm UAC will run through entry requirements and dates for the Schools Recommendation Scheme (SRS), and give answers to the most commonly asked questions. While the ATAR is still the main selection tool used by most unis, there are other ways for you to show that you are ready to succeed at uni. Many institutions have one or more early offer schemes for Year 12 students. Through these schemes, institutions assess you using criteria other than (or in addition to) your ATAR. UAC will give you an overview of the Schools Recommendation Scheme (SRS) and discuss: – how to apply – whether you are guaranteed early entry if you apply – other universities' direct early entry schemes – how many early entry schemes you can apply for.

UAC webinar: Let's Chat – Medical science students Thursday 8 September. 6.00pm.

Current Medical Science students from a range of universities share why they chose their course and their experiences of student life. If you are interested in Medical Science then this session is for you. Current students from a range of universities share their experiences of student life. Topics covered include: how they decided on the course they are studying what they found easy about the process of applying and enrolling, and what they found hard what they thought university would be like the best thing about being at university their hopes and dreams for when they finish.

Upcoming events

Careers Excursions, Incursions, Work Experience & Career Programs

Year 10:

- Careers Programs: UTS Startup, The Prototype Workshop and The Future Of Work Monday 31/10/22 & Tuesday 1/11/22
- Australian Business Week ~ Friday 25/11/22 Period 3 until Friday 2/12/22 Period 5 (All Students)
- Mock Interviews ~ Monday 5/12/22 until Friday 9/12/22 (All Students)
- Macquarie Discovery Day ~ Monday 12/12/22 (All Students)

Year 11:

- Beyond School Program ~ TBA (Optional)

UAC Deferring A Uni Course - What you need to do.

How do I defer?

When you receive an offer to enrol in a course, information included with your offer will explain how to apply for deferment. You may have to accept the offer before you can defer. Most institutions will ask you to provide a statement to explain why you wish to defer and what you will be doing during this period. Once your deferment has been granted, you will receive written confirmation of your deferment from the institution concerned. This will also give instructions on how to take up your deferred course. If, at the end of the deferment period, you decide you would like to be considered for other courses, you can complete a new UAC application and include these course preferences. If you receive an offer to one of the new courses, you can then decide whether to accept the offer or take up your deferred course.

Can my offer lapse?

Yes. If you undertake degree studies or certain levels of TAFE study other than NSW HSC courses during your deferment period, your offer at many institutions will lapse. You'll need to re-apply through UAC and declare all of your studies. Check with each institution for specific policies. <https://www.uac.edu.au/current-applicants/undergraduate-applications-and-offers>

Conversation Subject Selection

New evidence-based advice articles to help students make their decisions. Help your students make their year 11 and 12 subject selections by linking them to The Conversation's suite of evidence-based advice articles at:

University of Sydney - Life of a Mathematician

31 August 2022, 5pm. Have you wondered what a day in the life of a mathematician is like? And what jobs are available in this growing sector? Join award-winning mathematician, Professor Mary Myerscough, to find out what an average day of work might be like in the field of mathematics. In this session you will learn about the exciting work being done by mathematicians, from creating mathematical models to map how healthy cells become cancer cells, to how social insects organise their societies. https://uni-sydney.zoom.us/webinar/register/WN_8j57Vx81QOKBUm0t7BIxxg

University of Sydney Academic Excellence Scheme in English and Maths:

Recognising achievement by rewarding academic excellence. The Academic Excellence Scheme recognises high performance in English and Mathematics by applying adjustment factors to boost your selection rank. Depending on the course you have applied for and whether you achieved a Band 5 or 6 (or equivalent) in high-level English or Mathematics, you can have an adjustment of up to five points added to your ATAR or equivalent IB score, to raise your selection rank for an eligible course. If your ATAR is up to five points below the entry requirement for your course of choice, through excellence in English or Mathematics you can potentially still gain entry to that course. <https://www.sydney.edu.au/study/how-to-apply/undergraduate/admission-pathways/academic-excellence-scheme.html>

University of Sydney – Bachelor of Design (Interaction Design) Wed 7th Sept 5-6 pm

The University of Sydney has launched a new Bachelor of Design (Interaction Design) degree. This new degree will prepare you to be at the leading edge of interaction design and a career in an ever-expanding field. You will develop a deep and rich understanding of how people interact and experience the world around us, and discover how to design, prototype, and test new products, services and experiences. https://uni-sydney.zoom.us/webinar/register/WN_QltufzNARU2-Pu4nP-DXA

University of Sydney – Bachelor of Commerce Pathways and

Scholarships Workshop Wed 7 September. 4 – 5 pm

Find out how to stand out for your scholarship and pathway entry applications for the University of Sydney Business School's Bachelor of Commerce. During this online workshop, you will have the opportunity to hear from successful scholarship recipients of the University of Sydney's E12 Scheme and Inspired By Business (IBB) Schemes, and other awards, including our exclusive Future Innovators Awards (FIA) - open to eligible Year 12 NSW high school students. https://uni-sydney.zoom.us/webinar/register/WN_-G-v4KBUSVW300ayKFw6ZA

University of Sydney – Portfolio Pathway Workshop

Wed 21st Sept 2022. 4-4:30 pm

Hear from the experts who will assess your portfolio as they take you through the dos and don'ts for an exceptional submission. Get tips on selecting your works, presentation skills and how to communicate your passion for design.

Successful applicants will receive five adjustment factors when applying to an architecture, design and planning degree.

https://uni-sydney.zoom.us/webinar/register/WN_5CvXg3y7TRaDQOB0ee66yg

University of Sydney Dalvell Scholars Program

As a Dalvell Scholar, you will be challenged academically, have opportunities to cultivate professional expertise and leadership, and become part of a worldwide network of leaders as you join the ranks of our most distinguished alumni. In addition to completing distinctive Dalvell units of study with other high achievers, you will have access to enrichment opportunities including: accelerated learning options, such as early access to advanced units of study in your chosen field and enrichment units outside of your discipline access to the specialised Mathematical Sciences program (optional) tailored mentoring and professional skill development optional domestic enrichment activities and international experiences to develop your global perspective, including access to the Dalvell Global Mobility Scholarship valued at up to \$1000. https://www.sydney.edu.au/study/study-options/undergraduate-courses/dalvell-scholars.html?cid=em_ug-careers

University of Sydney – Test for Bachelor of Veterinary Biology and Doctor of Veterinary Medicine

All applicants are required to complete the Casper online testing (via Altus Suite) for the 2022/2023 admissions cycle.

16 September 2022

16 October 2022

13 November 2022

7 December 2022

Altus Suite is a standardised, multi-part online assessment that measures different competencies and attributes important for successful students and graduates of these programs. It is a 100–120 minute online, open-response situational judgment test. Casper - Altus test site here: <https://takealtus.com/> How to apply: <https://www.sydney.edu.au/courses/courses/uc/bachelor-of-veterinary-biology-and-doctor-of-veterinary-medicine0.html>

Sydney College of the Arts Portfolio Day 2022 - Online Event

Thu., 29 September 2022. 4:00 pm – 7:00 pm

Sydney College of the Arts at the University of Sydney invite you to attend our online Portfolio feedback sessions to assist you with preparing your portfolio and application to study our three-year Bachelor of Visual Arts and our four-year Bachelor of Visual Arts and Bachelor of Advanced Studies. Register for any session between 4 and 7pm, where you will be allocated to a private consultation with one of our Visual Arts Academic staff, and receive personalised feedback on your portfolio and visual arts practice. There will be one 30 min presentation at 5pm for those wishing to hear more about the degree. <https://www.eventbrite.com.au/e/sydney-college-of-the-arts-portfolio-day-2022-online-event-tickets-394829193747>

The University of Sydney Business School - Future Innovators Awards

Applications are now open and will close on 30th September, 2022. The University of Sydney Business School Future Innovators Awards are now open. This award recognises the visionary influencers of the future and it is available exclusively to current NSW high school Year 12 students with a creative business idea with local impact. Successful applicants will receive a \$250 cash voucher, as well as be considered for a \$6,000 scholarship. <https://www.sydney.edu.au/business/study/undergraduate-courses/future-innovators-awards.html>

UTS - Bachelor of Information Technology (BIT) Co-operative Scholarship

Please note: applications close 4 September 2022.

Interviews will be held on the 28 September 2022.

The BIT is a highly competitive course – it has been designed with future leaders in mind. To get in, you will need to demonstrate how you stand out from the crowd.

Successful students generally achieve a Selection Rank of 88-99.95; however, your ATAR is just one component of your application.

The interview is all about showing us who you are. You will need to demonstrate that you are highly motivated and have what it takes to progress to a senior management career.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/bachelor-information-technology-co-operative-scholarship/how-apply/get-ready-apply>

UTS - Entry to Science - Pathway through aptitude assessment **Registration closes midnight 8 January 2023**

The aptitude assessment is an opportunity for students to demonstrate their potential, and possibly secure an offer to study at UTS Science. The assessment is designed to assess your analytical and critical thinking skills. It is a general knowledge-based assessment and there is no need to study for it Monday 16 January 2023 or Tuesday 17 January 2023, 10:00 am (and 1:30 pm subject to registration numbers).

Please be available for both sessions.

Who can take the test: Future students of UTS Science who want to commence study in Autumn 2022 (commences on 20 February 2023), but feel their HSC results might not reflect their scientific potential. Those students who have not completed the assessment in the last 12 months. Future students should have a current application lodged with the Universities Admission Centre (UAC) and chose the UTS Science's course as their first preference.

<https://www.uts.edu.au/study/science/essential-information/application-info-and-fees/entry-pathway-through-aptitude-assessment>

Register to attempt the aptitude assessment here:

<https://forms.uts.edu.au/web/index.cfm>

UTS Sport Tours 8 September 2022 and 10 November 2022

Interested in exploring what UTS sport has to offer? Join on the following dates to get an exclusive tour of the sport facilities and have your sporting questions answered. <https://www.uts.edu.au/study/undergraduate/our-courses/events-and-info-sessions/register-uts-campus-tour#campus-tour-form>

UTS Campus Tours and Various Dates:

UTS runs campus tours throughout the year. Register your interest below and let UTS know what session you would like to attend. Please ensure your friends and family fill out a separate form if they would also like to attend. <https://www.uts.edu.au/study/undergraduate/our-courses/events-and-info-sessions/register-uts-campus-tour#campus-tour-form>

UTS Women In Engineering, IT, Construction 10 Adjustment Points

If you are a female and have applied for selected engineering, information technology or construction project management courses, you are eligible to receive 10 adjustment points. These adjustment points are automatically applied (no additional application required) and contribute to your selection rank. See the full range of degrees: <https://www.uts.edu.au/future-students/undergraduate/admission-requirements/admissions-schemes/specific-study-area-schemes/women-engineering-it-and-construction>

UTS Young Women for Engineering and IT - WiEIT Scholarship application workshops - 2023 intake

1 September, 2022. 4:00 am - 5:00 am Women in Engineering and IT scholarships applications are now open for 2023 intake. Register for the WiEIT scholarship intake application workshop - 2023 intake with Women in Engineering and IT at UTS! The purpose of this workshop is a scholarship briefing session for incoming students, to ask any questions you may have, or if you would like some advice for writing your scholarship application. <https://www.uts.edu.au/about/faculty-engineering-and-information-technology/women-engineering-and-it/our-community-and-events/events-0/wieit-scholarship-application-workshops-2023-intake>

UTS - Support your UAC application with the Engineering and IT Questionnaire

If you fall short of the selection rank requirement by one to three points, UTS will still consider your application if you submit the Engineering and IT Questionnaire and demonstrate a strong motivation to study engineering or IT. You achieved a minimum selection rank of 75. This selection rank cut-off includes your raw ATAR and adjustment factors. You have listed UTS Engineering or IT as your first preference in UAC.

Download this template and input your responses to these three questions where asked:

Why are you interested in studying at UTS and what do you expect to gain from your experience in the Faculty of Engineering and IT? Which of your personal attributes and skills will assist you most in your future career?

Describe something you have created or designed and how it is related to your preferred course.

OR

Share your favourite example of engineering or technology and why you think it is amazing.

<https://www.uts.edu.au/study/information-technology/essential-information/it-questionnaire-year-12>

UTS - Faculty of Engineering & IT Research Showcase 2022

29 November, 2022. 10:00 am - 5:00 pm You are invited to attend the Faculty of Engineering and IT Research Showcase on campus event. This event highlights our Higher Degree Research candidates' work and achievements, with UTS's wider community. There will be a preliminary speaker and three different presentation formats throughout the day. A number of candidates from UTS's six schools will present their work and the best presentations will receive a

certificate and prize. If you are interested in attending, please register for the event by completing the event registration form. <https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/faculty-engineering-it-research-showcase-2022>

Next Deadline Soon - UNE and UON Joint Medical Program

To apply to the Joint Medical Program in 2023, you must complete the following three steps.

How to apply Step 1 – Should be done earlier by 17 May 2022.

Register with the University Clinical Aptitude Test (UCAT ANZ) office and attend a UCAT ANZ session at a nominated test site. Fees apply. Registration closes 17 May 2022. UCAT ANZ testing begins 1 July and concludes 12 August 2022. All enquiries concerning UCAT ANZ should be directed to the UCAT ANZ office.

Final bookings will be accepted until Monday 31 May at 11:59pm AEST and will incur the late fee of AUD \$85.

Step 2: Apply online to the Joint Medical Program - Applications close on **30 September 2022**

Applications will open in August. You will have the opportunity to review your application after it has been submitted. For details and instructions on how to apply, please download the online application instructions.

Late applications will not be accepted under any circumstances.

Step 3: Apply through UAC by **30 September 2022**

Submit your early bird application through the Universities Admission Centre (UAC) by 30 September 2022. Late applications may be accepted by UAC, but late fees apply.

You must include Joint Medical Program at the University of Newcastle/University of New England among your preferences. **You can't change your preferences to add this program after 1 December 2022.**

The Joint Medical Program is included in the Educational Access Scheme. Through the Educational Access Scheme (EAS) you can get up to four additional adjustment points if you have experienced educational or other disadvantage. For more information about the EAS see here.

<https://www.newcastle.edu.au/joint-medical-program/how-to-apply>

Doctor of Medicine Applicants Western Sydney University

Midnight AEST 30 September - Applications close via UAC

Midnight AEST 30 September - Community Member Confirmation Forms close (*REAS candidates lodged with UAC application)

End October - Applicants invited to interviews/ assessments

Late November - MMI interviews

The purpose of WSU admissions process is to identify students who will learn and thrive in the environments in which WSU teaches and from which the medical students build their careers.

Medicine is a physically and mentally challenging profession where practitioners are often required to put the interest of their patients over their own. The Joint Program in Medicine is a five-year undergraduate degree which aims to help candidates develop necessary skills for practice of medicine. <https://www.westernsydney.edu.au/future/study/how-to-apply/md-applicants.html>

7 Tips to Take You a Step Higher in Your Nursing Career

Now that you have fulfilled the requirements to become a registered nurse, part of your duties will be caring for patients and making the world a better place. The beauty of nursing is that it offers a wide range of career descriptions. You do not have to be a resident-based nurse after your studies. You can still explore other nursing-related career options, such as tutoring or consultancy. Whether you are a budding nurse looking to become recognized for diligent service or are a nursing veteran ready to tackle new changes, there is still a chance to progress in your career. Here are a few tips to help you do that. <https://www.myhealthcareer.com.au/nursing/7-tips-to-take-you-a-step-higher-in-your-nursing-career/>

UNSW Many Courses Have Changed their Names

UNSW Sydney has made changes to some of its courses for 2023. The courses that are changing are detailed in the table below: <https://www.uac.edu.au/media-centre/news/unsw-course-changes>

UNSW Gateway Entry Scheme Yr 11 Spring Program

Program dates: 12 - 22 September 2022

Registrations close 4 September 2022

In this free digital program, you will participate in interactive faculty experiences that showcase the range of degrees and what it is really like to be a student at UNSW. The program also includes academic skills workshops, so that you can get prepared to ace your HSC. <https://www.futurestudents.unsw.edu.au/unsw-gateway-spring-program>

UNSW Portfolio Entry

Submissions are expected to open in early September and close in early December. For degrees in:

- * Art & Design Portfolio Entry
- * Built Environment Portfolio Entry
- * Business School - Bachelor of Information Systems Admissions Scheme (BISAS)
- * Faculty of Engineering Admissions Scheme (FEAS)

For all domestic and some UAC International applicants who are applying for an eligible degree and expecting an ATAR within 10 points of the lowest selection rank for your degree (unless stated otherwise). UNSW, wants to reward your passion, creativity and potential to succeed in your degree area. That is why UNSW offers UNSW Portfolio Entry, which gives you the opportunity to demonstrate your passion and talent, alongside your ATAR. If this sounds like you, UNSW wants to see your portfolio submission. It is an easy, online process, and can only ever boost your chances of admission. What you submit in your portfolio will depend on which degree you are interested in. Remember, your UNSW Portfolio Entry submission needs to be completed in addition to your UAC application. <https://www.unsw.edu.au/engineering/study/alternate-pathways/faculty-engineering-admission-scheme>

UNSW Law Admission Test - Save These Dates 2022

Registrations Open	2 May
Standard Registrations Close	14 August
Late Registrations Close	7 September
Law Admissions Test (LAT) date:	29 September
Alternative test date:	6 October

All you need to do is head over to CQUniversity Facebook page and send a message during the session and you will receive real-time answers to all your questions. <https://www.cqu.edu.au/events/event-items/information-session/online-chat-session-september>

Westpac Young Technologists Scholarship –

You must enrol in an approved technology-related degree at one of five partner universities. Are you intrigued by technology and how it can change the world for the better? Westpac Young Technologists Scholarships are designed specifically for high school graduates who are passionate about technology and eager to explore its potential for good. You could get \$5,000 per year over three years to really inspire your thinking. You will develop into a stronger leader through the Disruptive Leaders Program, which includes five days in Asia as part of an international learning experience. You will also have access to paid internships and inspiring mentors. Best of all, you will become a lifelong member of the Westpac 100 Scholars Network; an inclusive group of some of the brightest young minds in Australia. <https://scholars.westpacgroup.com.au/scholarships/young-technologists/>

C.A.S. Hawker Scholarship

Applications will open 5 December 2022 and will close 6 January 2023. The scholarship normally covers the full cost of residential fees for a period of up to three years. The average figure is \$60,000 over three years. Selection is based on personal qualities as well as academic ability. Successful applicants are capable of demonstrating their potential as a future leader and the contribution they have made to their school and wider community. Preference is given to applicants aspiring to a career in public affairs, politics and / or community service. Students from regional areas are encouraged to apply. Applications open in early December after Year 12 results are known and close in early January, to allow successful applicants to commence their university year. Short listed applicants are required to attend an interview with the Trustees in late January. Depending on circumstances, the interview may be via video conferencing. Applicants are advised of the status of their application by early February. Cesare Silvestri. Phone: (08) 8127 1654. Email: cesare.silvestri@aetlimited.com.au <http://www.hawkersscholarship.org>

Imagine a career in the Sign & Graphic Industry:

The graphic design and sign manufacturing industry, also includes the router, engraving, laser and fabrication industries, and is without a doubt one of the largest manufacturing sectors in Australia. The industry has over 7,600 businesses. The value of production is worth many billions of dollars. In an industry this big there are many great career opportunities available almost anywhere in Australia. Positions here: <https://www.signcareers.com.au/search-apprenticeships-nsw> Register your interest here: <https://www.signcareers.com.au/apprentice-register> <http://www.signcareers.com.au/>

Get into Surveying

We have put together a range of material that will help communicate what surveying is, as well as the need for more surveyors entering the industry. Surveying is an exciting field of study that will greatly appeal to any students you know who love subjects like maths, geography and IT – and anyone who likes the idea of working outdoors a lot of the time. If these resources help you reach those students, then that is a great success. <https://www.alifewithoutlimits.com.au/career-advisors/>

Medical Internships Abroad Programs for Years 10 and Up

Get medical experience abroad that will give you a competitive edge in your medical career

A medical internship program with Projects Abroad will help you get the real-world work experience you need to excel in a medical career. Work in professional clinical environments like hospitals and clinics.

You can choose from a range of fields related to Medicine & Healthcare:

- General Medicine
- Nursing
- Midwifery
- Physiotherapy
- Public Health
- Nutrition
- Occupational Therapy
- Speech Therapy
- Dentistry
- Pharmacy

Our international medical trips are flexible and safe. Projects can be adjusted to your level of experience, making them ideal for pre-meds, or students aiming to do a medical elective abroad. We also have projects for teenagers in Year 10 and 11 interested in medical work experience.
