CAREERS NEWSLETTER

February, 2021

NO. 1

Introduction:

A warm welcome to 2021, I hope you all had a lovely holiday, are enthusiastic about this year and have an enjoyable and productive year.

Please be aware that the purpose of this publication is to keep you up to date with information as it comes to me. Your responsibility is to research about anything that interests you and to see me whenever you need.

This term I will attend a number of "Careers Adviser's Days" at various universities. These seminars are valuable sources of information. I will pass much of this information on in the next few months via the Careers Newsletter. Although these days take me out of school, it is imperative to get feedback from universities to help each current and future Year 12 cohort.

Study Work Grown previously used to be known as MHS:

Study Work Grown is the website that the school is registered with for use by students, parents and teachers. It provides information on career related events happening throughout the year, information on post school options and provides general careers advice.

It is a good idea to log on the Study Work Grow website to check the latest careers news and update yourself with available study options for future careers decision making. To create your membership:

Step 1 - Go to <https://studyworkgrown.com.au/school/girraween-high-school>

Step 2 - When asked, enter your school code - GHS2019

Jobjump Website:

Jobjump is one of the websites that the school is registered with for use by students, parents and teachers. When you register on JobJump you will receive the News on the Careers you like. Plus you will be able to use all parts of the JobJump website to help you plan and assist in achieving your Career dreams. To register with JobJump, go to the front screen of the website at www.jobjump.com.au

STEP 1. Enter into the first white box the first letters of your school's name and when the full name appears in blue just below, click on your school name and it will enter automatically into the first white box.

STEP 2. In the second white box, enter your email address and then click the Login button.

STEP 3. A new screen will appear which asks you to type in lower case letters your school's password.

Insert your school password: hounddog

The Western Sydney Careers Expo :

The Western Sydney Careers Expo will be held at Sydney Showground—Sydney Olympic Park on Thursday 24, Friday 25, Saturday 26 and Sunday 27 June, 2021 from 9am until 4pm. The Expo will bring together organizations providing tertiary course, career, vocational, employment, HSC and gap year information and resources. It also features over 120 seminars on topics including tertiary and training courses, career and study advice. HSC subjects seminars most of which are presented by the NSW Board of Studies. The school booked for all Year 10 and 12 to attend this expo on **Thursday 24/06/21**. The students will be provided with a ticket that will entitle them to re-visit the expo if they wish on Saturday 26 and Sunday 27 June, 2021. **If restrictions apply so it will be virtual.**

Upcoming events

Guest Speakers

Year 10, 11 & 12 are all invited to attend the following presentations that will take place in Room 41 (Senior Study Room) on the following dates:

- ANU (Virtual) ~ Tuesday 2/3/21
- Professional Cadetship (in person) ~ Thursday 22/4/21
- UNSW ~ TBA
- USYD ~ TBA
- Macquarie Uni ~ TBA
- ACU ~ TBA
- UNSW Medicine Talk ~ TBA
- WSU Medicine & Health Sciences ~ TBA
- UTS ~ TBA
- UNSW CO-OP Scholarships ~ TBA
- UTS CO-OP Scholarships ~ TBA
- Macquarie Co-Op Scholarships ~ TBA

Careers Excursions, Incursions, Work Experience & Career Programs

Year 10:

- Big Day in IT - UTS ~ TBA (Optional)
- Macquarie Discovery Day ~ TBA (All Students)
- The Western Sydney Careers Expo ~ Sydney Showground—Sydney Olympic Park or virtual ~Thursday 24/06/21 (All Students)

- The Future of Work Program—School—Monday 15/11/21 and Tuesday 16/11/21
- Startsmart Careers Program—School—Monday 15/11/21 and Tuesday 16/11/21
- Australian Business Week ~ Friday 19/11/21 Period 3 until Friday 26/11/21 Period 5 (All Students)
- Work Experience Week ~ Monday 29/11/21 till Friday 3/12/21 (All Students)
- Mock Interviews ~ Monday 6/12/21, Tuesday 7/12/21, Wednesday 8/12/21 and Thursday 9/12/21 (All Students)

Year 11:

- WSU Careers Event Day - UWS Campbelltown Campus ~ TBA (Optional)

Year 12:

- The Western Sydney Careers Expo ~ Either at Sydney Showground—Sydney Olympic Park or Virtual ~Thursday 24/6/21 (All Students)

Please note that the Careers Expo excursions and few of the above mentioned excursions are not optional.

If an optional excursion falls on an assessment day please make sure you do not apply to go as you can not miss on your assessment.

It is very important that you pay the excursion cost which will be invoiced as part of your school fees and hand in the notes by the due date stated in your letters to avoid any inconvenience for the school and for yourself as well. Thank you for your consideration and responsible attitude.

CAREERS NEWSLETTER

February, 2021

NO1

Professional Cadetships Australia (PCA) :

Professional Cadetships Australia (PCA) provides Year 12 students the opportunity to apply for cadetships in Business with leading companies. The cadetships provide cadets with paid employment while they undertake university studies. Under the Business Cadetships Program, cadets study at the university of their choice and select from degree programs in Business, Commerce, Economics, Computer Science and Technology, Mathematics and Humanities. Online applications open on 8th March, 2021 and close on 26th May, 2021, including the school assessment. For more information visit www.businesscadetships.com.au.

Please make sure you allow me enough time prior to the closing date to fill in the school section, so you need to submit your application online by 14th May, you will then be sent a letter that you will have to bring to me with the log in details for me to be able to fill in your school assessment and submit it before 26th May, 2021. To help you edit your application, finish your application during the April School Holidays and bring to me as soon as Term 2 starts to edit, advise on any changes and finalise before you submit online. Don't hesitate to come and see me for more clarification or if you have any questions.

The Australian National University Applications 2022

ANU Direct applications for 2022 open on 3rd March 2021 and close on 24th May, 2021 for all domestic school leavers. There is no application fee, students will be required to meet the co-curricular or service requirement, and they will apply for admission, guaranteed accommodation, and over 200 scholarships all in one application. For more information: <https://www.anu.edu.au/study/apply/domestic-applications-anu-undergraduate>

The Australian National University Tuckwell Scholarship:

One of the most prestigious scholarships in Australia. The program has a focus on giving back to Australia and is the only one of its kind that nurtures Scholars to fulfil their broader community ambitions over and above the pursuit of an undergraduate degree. <https://tuckwell.anu.edu.au/applying/tuckwell-scholarship-mailing-list>

Key dates to apply for the ANU 2022 Scholarships:
Applications open: 10am (AEDT) 03 March, 2021
Applications due: 3pm (AEDT) 24 May 2021

SCHEMES

After you've applied for a course, consider also applying through UAC for a scholarship or access scheme.

Equity Scholarships assist disadvantaged students with the costs associated with higher education. They are awarded to students from low socio-economic backgrounds, particularly those who receive Centrelink income support payments.

Educational Access Schemes help students who have experienced long-term educational disadvantage gain admission to university.

Schools Recommendation Schemes are used by institutions to make early offers of undergraduate admission to Year 12 students using criteria other than, or in addition to, the ATAR.

More information will be available on www.uac.edu.au

UNSW Law Admission Test LAT

6 May. 6.30pm to 8.30pm

Find out more about how the Law Admission Test (LAT) affects entry into UNSW law double degrees!

Get your questions answered at the 2021 LAT Information Evening. The LAT is an entry requirement for all undergraduate Law double degrees at UNSW. It will cover how the LAT has worked for entry in the past, provide detailed program and faculty information, as well as key LAT dates for the year ahead. The LAT Information Evening is for Year 11 and 12 students who are interested to study Law at UNSW in 2022 and their parents. **Registrations open on 3 May, 2021, standard registration close on 13 August, 2021 and late registration close on 8 September, 2021. Test Date is on 30 September, 2021.**

February, 2021

NO.

University Clinical Aptitude Test—(UCAT TEST):

The University Clinical Aptitude Test (UCAT ANZ) is an admissions test used by the UCAT ANZ Consortium of universities in Australia and New Zealand for their medical, dental and clinical science degree programmes.

The test helps universities to select applicants with the most appropriate abilities and professional behaviours required for new doctors and dentists to be successful in their clinical careers. It is used in collaboration with other admissions processes such as interviews and academic qualifications. It is also an opportunity to stand out from other applicants and demonstrate aptitude for a demanding programme of study. The UCAT ANZ is a computer-based test delivered in Pearson VUE test centres throughout Australia and New Zealand. You must complete a two-step process using the Pearson VUE online registration system to register and then book a test.

Online Account Registration and booking a test: Opens 1 March, 2021 at 9am and Closes 17 May, 2021 at 5pm

Testing begins 1 July, 2021 and last testing date will be 11 August, 2021. Results delivered to universities: Early September.

More information is found on the UCAT website: www.ucatofficial.com. The test consists of five subtests: Verbal Reasoning, Decision Making, Quantitative Reasoning, Abstract Reasoning and Situational Judgment.

The following universities will use UCAT in their selection process for **Medicine and other Health Sciences courses** for entry:

<u>State:</u>	<u>University:</u>	<u>Course:</u>
NSW	UNSW	Medicine
	Newcastle/UNE	Medicine
	WSU	Medicine
	Charles Sturt	Medicine & Dental Science
Victoria	Monash University	Medicine
	La Trobe University	Dental Science
Queensland	UQ	Medicine (Prov.Entry)
		Dental Science
	Griffith University	Dental Health Science
	CQU	Medical Science (Regional Medical Pathway provisional Entry to UQ)
SA	Uni of Adelaide	Medicine, Dentistry, Oral Health
	Flinders University	Clinical Sciences/Medicine
WA	UWA	Medicine, Dentistry
	Curtin University	Medicine
Tas	UTAS	Medicine
NT	Charles Darwin	Medicine
NZ	Auckland Uni	Medicine
	Otago	Medicine, Dentistry

A number of organizations have organized courses for UCAT applicants.. Organizations details are as follows:

NYSF Year 12 Program - Inspiring Australia's Young Scientists for 2022

Opens early March 2021

In 2021, there will be three separate sessions running for the NYSF Year 12 Program with the following locations and dates. Each session has places for up to 200 students.

Session A: Wednesday 1 to Saturday 11 January – Canberra, The Australian National University

Session B: Wednesday 8 to Saturday 18 January – Brisbane, The University of Queensland

Session C: Wednesday 15 to Saturday 25 January – Canberra, The Australian National University

Application dates: Applications are open from 1 March to 31 May each year.

Find out more about how to apply.

The NYSF Year 12 Program is a 12-day residential program designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage continued studies in these fields. At the NYSF Year 12 Program run in January each year, participants will: visit science and technology related laboratories and facilities, go on site tours and listen to lectures. Participants also take part in sessions on entrepreneurship, critical thinking, how to work together effectively, and more. The focus is not solely on academic achievements, but on developing well-rounded individuals who have the skills and confidence to determine their futures.

University of Sydney - Mega Maths Day 2021

For students in Years 9 and 10

The details of Mega Maths Day 2021 will be available in early 2021. We are working to develop alternative methods of workshop delivery and online resources. If you would like to be updated about the availability of our programs, you can sign-up to our [Science Alliance Newsletter](#).

If you have any queries regarding Mega Maths Day, please contact science.alliance@sydney.edu.au.

An opportunity to surprise and inspire students with mathematics and showcase the variety of disciplines and careers that require mathematics. Mega Maths Day engages with stage 5 students who need to make choices about what kind of mathematics to do in senior school.

No matter what your students choose to do in the future, maths will be a part of it: from maths models that help predict which latest fashion items will sell out, to calculations that allow you to build bridges, to statistics that show what people think of a business, to computations that help in the understanding of diseases. More info here:

<https://sydney.edu.au/science/industry-and-community/community-engagement/mega-maths-day.html>

University of Sydney - Maths Career Days: Infinite pathways

8 March, 9am-12pm

Year 9 & 10

Real mathematicians, real applications and real career pathways to answer the age-old question from maths students everywhere, "When will I use any of this?" Students will get to hear from top, current mathematicians working in the School of Mathematics and Statistics about how they got to where they are today and their hottest research work. We will also outline what it is like studying mathematics as a University student and let your students consider how studying mathematics might add value to their future career. Finally, we end the day on differentiated mathematics puzzles and hands-on activities that we will do live with your classes. Throughout the day, your students will have opportunities to send us their questions live.

[Infinite pathways - Faculty of Science \(sydney.edu.au\)](#)

University of Sydney - Grand Challenges program:

Science Fiction to Science Fact

10 March. 9.30am-2.30pm

Year 9 & 10

Students will spend a day learning about the real-life global challenges and how we can use fictional technology in movies and texts to inspire real-life solutions. Sign-up as a class or individual students.

[Grand Challenge program - Faculty of Science \(sydney.edu.au\)](#)

University of Sydney - Unearthing Science

Registration for term 2 closes 11 March

Year 9 & 10, NSW regional and rural schools

Energise the budding scientist in your students with this free, teaching package that introduces the concept of independent scientific investigation, focusing on ecological and environmental science.

NO. 1

Year 10 Work Experience—Term 4—Week 9:

The Year 10 work experience will run this year Term 4—Week 9 from Monday 29th November until Friday 3rd December, 2021. The paper work will be handed to Year 10 in their Careers class and will be emailed to students and parents. I encourage Year 10 students to start looking for employers from now as week 9 – Term 4 is very popular and good places don't last. It is very important that students look for jobs in the profession they think they want to pursue later in their life. I discourage any students to do work experience in their parents' business. It is highly recommended that you experience the outside world away from family and friends. Preparation activities for work experience will take place in careers lessons prior to work experience week. The Student Placement Record Form needs to be completed, signed by all parties and returned to school by Term 3—week 3 on Monday 26th July, 2021.

How to stand out without work experience

Tips on how to get experience to impress an employer. It can be hard to get a job if you have no work experience. There are some things you can do to get work experience, even if you haven't worked in a paying job yet. These things will help you stand out without work experience.

Job Outlook Career Quiz:

The Job Outlook Career Quiz takes students' answers to a small range of questions and provides them with detailed career profiles for jobs in fields that might suit them. The career profiles include future job prospects, skills needed for that job, vacancies, training opportunities and any relevant reports or links.

St John Ambulance First Aid Online Course:

The online course offered includes training on an introduction to first aid, defibrillation awareness and workplace infection control. St John Ambulance's courses are internationally recognised first aid courses. <http://stjohn.org.au/first-aid-training>

GoIT Girls Work Experience STEM Program:

15th March - 18th March 2021
26th April - 29th April 2021
10th May - 13th May 2021
7th June - 10th June 2021
26th July - 29th July 2021
16th August - 19th August 2021
6th September - 9th September 2021
18th October - 21st October 2021
8th November - 11th November 2021
29th November - 2nd December 2021

GoIT Girls program is a week-long work experience program aimed at female students in Years 10 and 11. The participants meet senior executives from our company and from our client organisations, who provide insight into the various STEM roles that exist across the business spectrum, with the hope of inspiring a new generation of innovators, problem solvers and technology professionals. The aim is to provide insight into and challenge stereotypes, of the technology industry and challenge gender occupational stereotypes.

Future Demand Still Strong for Surveyors:

Higher graduate salary and excellent job prospects are just two reasons surveying is a career path secondary students should take note of. According to The Good Education Group, which publishes The Good Careers Guide, surveying has the fourth highest average starting salary at \$60,049 compared with the national average of \$52,840. Graduate surveyors are also among the most likely to be employed straight out of university, with the third highest employment rate at 78%.

Surveying Work Experience:

Surveying is the measurement and mapping of our surrounding environment using mathematics and specialised technology. Land surveyors are involved with a diverse variety of projects from land subdivision to tunnel building and major construction. Licensed or registered surveyors are experts in the profession who interpret and navigate legal aspects of land ownership. They also give advice and provide information to guide the work of engineers, architects and developers. <https://www.alifewithoutlimits.com.au/>

Where to Study Surveying
