Introduction:

A warm welcome to 2024, hope you all had a lovely holiday, are enthusiastic about this year and have an enjoyable and productive year. Please be aware that the purpose of this publication is to keep you up to date with information as it comes to the school. Your responsibility is to research about anything that interests you and to see the Careers Adviser whenever you need.

This term, I will attend several “Careers Adviser’s Days” at various universities. These seminars are valuable sources of information. I will pass much of this information on in the next few months via the Careers Newsletter. Although these days take me out of school, it is imperative to get feedback from universities to help each current and future Year 12 cohort.

Upcoming events

Guest Speakers

Year 10, 11 & 12 are all invited to attend the following presentations that will take place in Room 41 (Senior Study Room) on the following dates:

Professional Cadetship Australia	Monday 11 March 2024
University of Sydney ~	Monday 13 May 2024
Western Sydney University	TBA
University of Technology	TBA
Australian Catholic University	TBA
UAC Year 10 Presentation	TBA
UAC Year 12 Presentation	TBA
University of New South Wales	TBA

Careers Excursions, Incursions, Work Experience & Career Programs

For Year 10:

- A Big Day in IT - Western Sydney University Parramatta City Campus on Wednesday 15 May 2024 (Optional)
- The Western Sydney Careers Expo at the Sydney Showground—Sydney Olympic Park or virtual on Friday 28 June 24 (All Students)
- Australian Business Week will be held from Friday 22 November 2024 Period 3 until Friday 29 November Period 5 (All Students)
- Work Experience Week will take place from Monday 2 December 2024 until Friday 1 December 2024 (All Students)
- Mock Interviews will be from Monday 9 December until Friday 13 December 2023 (All Students)

For Year 11:

- Careers in Surveying – Pier 1 Sydney Harbour – Monday 25 March 2024

For Year 12:

- The Western Sydney Careers Expo at the Sydney Showground—Sydney Olympic Park or virtual on Thursday 27 June 24 (All Students)

Important messages:

Please note that the Careers Expo excursion and few of the above-mentioned excursions/ incursions are not optional. It is very important that you pay the excursion cost which will be invoiced as part of your school fees and hand in the notes by the due date stated in your letters to avoid any inconvenience for the school and for yourself as well.

If an optional excursion falls on an assessment day, please make sure you do not apply to go as you cannot miss on your assessment.

Kindly note that if you are interested in any of the webinars and/or activities organized by external providers and are falling during school hours you must seek permission first from the Careers Adviser and do the required paperwork. Thank you for your consideration and responsible attitude.

Study Work Grow:

Study Work Grow is the website that the school is registered with for use by students, parents and teachers. It provides information on career related events happening throughout the year, information on post school options and provides general careers advice.

It is a good idea to log on the Study Work Grow website to check the latest careers news and update yourself with available study options for future careers decision making.

To create your membership go to: <https://studyworkgrow.com.au/school/girraween-high-school>
When asked, enter your school code - GHS2019

JobJump Website:

JobJump is another website that the school is registered with for use by students, parents and teachers. When you register on JobJump you will receive the News on the Careers you like. Plus, you will be able to use all parts of the JobJump website to help you plan and assist in achieving your Career dreams. To register with JobJump, go to the front screen of the website at www.jobjump.com.au

STEP 1. Enter into the first white box the first letters of your school's name and when the full name appears in blue just below, click on your school's name and it will enter automatically into the first white box.

STEP 2. In the second white box, enter your email address and then click the Login button.

STEP 3. A new screen will appear which asks you to type in lower case letters your school's password. **Insert the school's password: hounddog**

The Western Sydney Careers Expo:

The Western Sydney Careers Expo will be held at Sydney Showground—Sydney Olympic Park on Thursday 27, Friday 28, Saturday 29 and Sunday 30 June 2024 from 9am until 3pm. The Expo brings together organizations providing tertiary course, career, vocational, employment, HSC and gap year information and resources. It also features over 120 seminars on topics including tertiary and training courses, career and study advice. HSC subjects' seminars most of which are presented by the NSW Board of Studies. The school booked for all **Year 12** to attend this expo on **Thursday 28/06/24** and **Year 10 to attend the expo on Friday 28/06/24**. The students will be provided with a QR code that will entitle them to re-visit the expo if they wish on Saturday 29 and Sunday 30 June 2024.

Year 10 Work Experience Week:

Some of the most important decisions Year 10 students will make during their time at school are about what career directions and further study and training they will pursue when they finish their secondary education. One activity to support students with this planning is providing a curriculum-based workplace learning program. Workplace learning programs are learning activities in real workplaces that help young people to gain practical experience of work as well

as learn industry and workplace skills as part of their studies. These programs are available in Year 10 and the Work Experience period is in Term 4- Week 8 from Monday 2 December until Friday 6 December 2024. Paperwork and more information will soon be emailed to parents and students.

Professional Cadetships Australia (PCA):

Professional Cadetships Australia (PCA) provides Year 12 students the opportunity to apply for cadetships in Business with leading companies. The cadetships provide cadets with paid employment while they undertake university studies. Under the Business Cadetships Program, cadets' study at the university of their choice and select from degree programs in Business, Commerce, Economics, Actuarial Studies, Computer Science and Technology, Mathematics and Humanities. Online applications open on 4 March 2024 and close on 22 May, 2024, including the school assessment. For more information visit www.businesscadetships.com.au.

*Please make sure you allow me enough time prior to the closing date to fill in the school section, so you need to submit your application online by **Wednesday 15 May**, you will then be sent a letter that you will have to bring to me with the log in details for me to be able to fill in your school assessment and submit it before 22 May, 2024. To help you edit your application, finish your application during the April School Holidays and bring to me as soon as Term 2 starts to edit, advise on any changes and finalise before you submit online. Don't hesitate to come and see me for more clarification or if you have any questions.*

UAC Digital

This year we will be running several LIVE webinars for Year 10 to 12 students and their parents. Dates and registrations will be released very soon. UAC will also keep you up to date via their social media pages and the [UAC Digital web page](#).

The first LIVE webinar will be aired on Wednesday, 27 March, at 6 pm; a session for parents with information about the application process and how to support their Year 12 student. This event will be live-streamed on Facebook and their webinar platform. Registration will open soon.

Information for parents- Subscribe to the UAC parent newsletter

Just a reminder that UAC has a newsletter specifically for Year 12 parents to keep them informed about the application and university entry process. Parents are encouraged to subscribe through this link, ['Parents' page of the UAC website](#).

University of Wollongong 360 Virtual Tours

Select a scene below to begin your tour. Use your mouse to pan across each scene or simply let the auto-scroll run through the scene for you. You can easily navigate between each scene by using the drop down menu or the previous and next arrows at each side of your window. Alternatively, virtually walk through using the hotspot icons within each scene. To tour the South Western Sydney Campus, click on the blue 'Campus Scenes' button below and select the 'South Western Sydney Campus'. <https://www.uow.edu.au/about/locations/campus-map/virtual-tours/>

University of Wollongong Languages Day

23 February- Being able to converse in more than one language is a highly regarded skill. It can open doors into other cultures and communities and expand your knowledge of the world.

This free, interactive event offered by the Faculty of Arts, Social Sciences & Humanities is designed specifically for students studying languages in Years 9-11 in 2024. Participants will spend the day at UOW learning valuable skills from academic staff and students. The day includes fun and engaging activities which will invigorate their passion for languages, plus the opportunity to learn about languages degrees offered at UOW.

https://uow_srd.swoogo.com/language/day

University of Wollongong Parents & Carers of Year 11 Students Webinar

26 February- Get the scoop on the UOW Early Admission program, the importance of Year 11 results, and tips on how to choose degrees that align with your interests and passions.

https://mkto.uow.edu.au/DOMUGWEB20242238ParentsCarersofYear11StudentsWebinar_Registration.html

Macquarie University Open Day Save the Date

10 August 2024 Students can learn how Macquarie's industry connections, passion for collaboration, and appetite for unconventional thinking will help them achieve remarkable things. <https://event.mq.edu.au/open-day>

University of Sydney Webinar- Why study environmental engineering?

21 February - Join USYD's webinar to learn about the new environmental engineering stream, launching in 2025.

If you want to develop solutions to minimise chemical emissions, air pollution control or global warming, environmental engineering is for you. Gain the skills to reduce the carbon footprint of manufacturing processes and choose to specialise in advanced water treatment and purification technologies, energy optimisation, or geotechnical engineering. https://uni-sydney.zoom.us/webinar/register/WN_cLkwHoKIQxemEYY6mMamTQ#/registration

University of Sydney Webinar- Electrical Engineering

28 February - If it excites you to know how electricity can benefit our lives, then Electrical Engineering could be for you. Electrical engineers design the electronic devices, computers, communications systems and power systems that have, and continue to, transform society. This covers everything from the computers and networking equipment enabling the internet to the power stations providing electricity to your home. Our degrees emphasise practical learning, industry experience, and ensure that you graduate as a job-ready engineer for the digital age with full accreditation. Join our webinar to find out more about Electrical Engineering at Sydney. https://uni-sydney.zoom.us/webinar/register/WN_oMOoqU2yQueMEBW9vWaMCg#/registration

Webinar- Day in the life of University of Sydney student

13 March - What is it like to study at the University of Sydney? What will your study to social life balance be like while undertaking your degree? Discover first-hand from USYD students what a day in the life of at Sydney looks like, learn about study load, clubs and societies, support offered, internships, work placement and so much more.

https://uni-sydney.zoom.us/webinar/register/WN_5k-4iD_rSUeIDUIFNi4eAQ

Regional students: why choose Australian National University?

12 March - Hear from other regional students who will share their stories, talk about why they chose to come to ANU, and tell you about what to expect from life at ANU. <https://study.anu.edu.au/events/rrr-students-why-choose-anu>

Australian Catholic University Campus Tours

Do you want to explore your campus and discuss your study options? Book a campus tour with ACU's friendly staff.

<https://www.acu.edu.au/student-life/experience-uni-before-you-start/explore-your-local-campus/campus-tours>

Save the dates – ACU OPEN DAY

Mark your calendars for our 2024 Open Day events:

Blacktown Campus: Saturday 27 July, 10am – 2pm

Strathfield Campus: Saturday 17 August, 10am – 2pm

North Sydney Campus: Saturday 31 August, 10am – 2pm

Canberra Campus: Saturday 14 September, 11am - 2pm

Tailored to students' course of interest, Discover ACU is designed to give an exciting first taste of specific disciplines, with an opportunity to speak with current ACU students to find out what life is like in your course of interest. These interactive hands-on workshops range from study areas including Education, Nursing, Speech Pathology, Occupational Therapy, Social Work, Exercise and Sports Science, IT, Law and Criminology.

[View the series and register](#)

Talk with Industry Webinar Series

Various dates in April, May and October

Students can join us and hear from alumni about their professional experiences after completing their studies at ACU. Take part in a Q&A session with our graduates to find out what your future could hold with one of our degrees.

[View the series and register](#)

Charles Sturt University- Accommodation and Camps Tour

Come and get a feel for university life and see what is possible at Charles Sturt. Book a tour time that suits you –visit the university with a student guide! Student Ambassadors will take you on a tour around campus giving you first-hand insight into the Charles Sturt experience. You can ask them what is great - and even not so great - about Charles Sturt as they share their experience and tips as students on campus. You will get to see the classrooms, facilities, and support services available to students so you can imagine yourself in their shoes. You will learn what they have accomplished at Charles Sturt - and get inspired to find out what you could do too. <https://study.csu.edu.au/why-charles-sturt/campus-tours>

Charles Sturt University Explore Day

5 March - Albury-Wodonga

12 March - Bathurst

19 March - Wagga Wagga

26 March - Port Macquarie

Are you in Year 10, 11 or 12? Then Explore Day is your chance to check out what life at Charles Sturt University is like. Keen to check out where you will be staying? Look at the accommodation and tour the campus, chat with students and get the lowdown from lecturers. There is even a free lunch and a swag bag of goodies. But the best bit about Explore Day? It is all about you! Pick which interactive session/s interests you, book your spot and then get set for some hands-on learning – and a whole lot of fun.

Each of the Explore Day campuses will run different sessions on everything from arts to vet science, so there is lots for you to explore. <https://study.csu.edu.au/why-charles-sturt/events/explore-day>

University of New South Wales 360 Virtual Tours

Tour through UNSW on your mobile or PC. Explore the different departments and see what University life is like. Imagine yourself enjoying the experience of studying in a tertiary environment and making new friends along the way. Some of the greatest things happening on this planet are being developed in the labs and study rooms at UNSW. <http://www.360tour.unsw.edu.au/>

UNSW Young Women in Engineering Pathway Program

Registration Now Open

The UNSW Young Women in Engineering Pathway Program is an alternate pathway program for high school students* in Year 11 and 12 who will be applying for an eligible engineering degree at UNSW Sydney and expecting an ATAR within the Faculty of Engineering Admissions Scheme (FEAS) eligibility** range. The one-month program runs from February to March and has capacity for 120 motivated students to participate each year.

If you're a student who wants to make a difference in the world, has an interest in helping others and would love to learn how engineering can make an impact, then this program is for you!

Gain valuable skills by participating in an engineering challenge set by one of the eight engineering schools in the UNSW Faculty of Engineering. Guided by a lead academic and UNSW Women in Engineering student ambassadors, you will work with like-minded students in small teams to tackle an engineering challenge associated with their ongoing research. <https://www.unsw.edu.au/engineering/study-with-us/young-wie-club/young-wie-pathway-program>

University of New South Wales- Year 12 Medicine Information Evening

12 March - Are you interested in a career in medicine?

Start your medical career at one of the top medical schools in the world. * Studying the Bachelor of Medical Studies/Doctor of Medicine at UNSW will provide you with the theoretical understanding and practical experiences you need to launch your career as a medical professional.

UNSW's Medicine Information Evening, for current year 12 students, will provide insight into the dynamic blend of hands-on clinical experiences and research-focused learning that you will be immersed in as a UNSW Medicine

student. You'll also find out detailed information on the application and admissions process for 2025 entry, including special entry schemes such as Rural, Gateway and Indigenous Entry Schemes.

Join online where you will hear from our expert panel of academic staff, current students and advisors, and get all of your UNSW Medicine questions answered. <https://www.events.unsw.edu.au/event/unsw-year-12-medicine-information-evening>

Bond University Year 12 Extension Program:

Start your university journey ahead of the rest. Get a head start on your studies with the Bond Business School Year 12 Extension Program, which comprises fast paced and fun two-day workshops designed to prepare you for university life. Facilitated by our world-class academics, the Extension Program offers an enriching opportunity that supports the existing Year 12 curriculum across areas such as business and maths. Faced with real-world situations, participants will hone their skills, problem solve, and work collaboratively with their peers. The Extension Program is free of charge to students. Top performing students from the days will be awarded one of ten part-fee scholarships exclusive to the Year 12 Extension Program. <https://bond.edu.au/study/experience-bond-for-yourself/high-school-student-experiences/experience-a-study-area/year-12>

Virtual Internships- Challenges Abroad Australia International Volunteering

Want to get a real taste for overseas community development? The virtual internships give you the opportunity to spend 3-5 weeks working with our overseas teams to solve complex issues. This program will allow you to develop your skillset and contribute to international social impact, all from the comfort of your home. You'll gain international exposure while enhancing your employability and engaging directly with our in-country teams and community members. Virtual internships are available and on offer for both university and high school students looking to develop their skills and make an impact. <https://www.challengesabroad.com.au/our-challenges/>

Medical Work Experience for Year 10 and 11 Students:

Getting medical work experience as a student can be extremely difficult. Projects Abroad offers young people from secondary and senior secondary school a safe, guided experience into the world of medicine through our High School Special Projects. The medical internships abroad for high school students focus on experiential education, so you learn by doing. You can expect to:

Shadow doctors and other medical professionals in busy hospitals and clinics

Attend medical workshops and seminars

Get first-hand insight into the healthcare challenges people face everyday

Participate in community healthcare outreaches that serve people in need

Learn essential medical skills like measuring blood pressure and blood sugar levels
